ADAMS THE NEW BAPTIST PASTOR.
Rev. Samuel Knowles who has been called to the pastorate of the First Baptist church of Adams was born in England at Neutnham in the county of Cheshire and brought up in the Methodist church. He began preaching when eighteen years of age as a lay preacher, and before he was twenty years old walked twenty miles many a Sunday and preached three times on the circuit of churches to which he belonged. His brother preachers and the churches of the circuit were the first to discover his ministerial qualifications. At first he preached but only the readings of the 'Divine uplift' at the present call of the church he consented and took a course of study in the denominational college. The English and Canadian churches being in close fellowship many preachers call to the Canadian church. Mr. Knowles did so and spent two years in Montreal before since he has been with his congregation for the freedom of Adams. He has not less than 100 in gratuity in his desire. Leaving Montreal he came to the church in the United States after serving a mission among the Indians of Fall River for five years he united with the First Baptist church of that city and immediately accepted the call to the First Baptist church of Northboro. Mr. Knowles has also served churches in No. Butterick and Watling and he comes from the latter place to Adams.

DECISION GIVEN AND APPEAL TAKEN.
A decision in the civil case of Willschauer and Goodrich against Levine Brothers, Morris Smith, Samuel Bennett and others who were attorneys for Paul Albert and allowed them to go to prison was rendered in court this morning. The case was heard some time ago and Lawyer Niles appeared for the defendants and John W. Tucker for the prosecution. Judge Tucker heard the case and decided in favor of the defendants. An appeal to the Supreme Court was taken. HAD NOT DECLARED AN "UNFAIR".
The regular meeting of the Carpenter's union was held Monday evening and delegates from the North Adams union were present to give instructions regarding the constitution of the union. It was reported to the North Adams that the local union had declared an "unfair" in Mansuet Brock block on Park street. The report, so the local union stated last night, was not authorized and was incorrect, therefore the local union and Mansuet Brock were unopposedly acquitted by the false report.

EDWARD, the 10 years old son of Mr. and Mrs. Charles Thurman of Maple Grove, met with a very peculiar and unfortunate accident Monday. He was walking on the sidewalk and the wheel struck against a board that was sticking up in the ground. The board split and a large silver pin went through the boy's shoe and struck between the big toe and the second toe and punctured the foot. The hole was large and the wound bled profusely. Dr. A. K. Bloom attended.

Already a trap has been bought and a number of dry pigeons. The club will have quarters and a suitable place to operate the trap. Regular practice shoots with club contests as well as otherwise will also be sought. Matches with other clubs will be sought.

Of all the rummage sales held in town the one which closed Saturday night under the auspices of the ladies of the Congregational church, was the most successful. The total cleared Saturday but there will be an auction of the remaining articles Wednesday. A big crowd of delighted people was present at the First Presbyterian church and the amount cleared was \$500. The appearance of the quarter of the church conservatory of music and it is no exaggeration to state that the entertainment given was one of the most ever seen in North Adams. The attraction was a success in every detail and the large audience returned home with a happy and a successful conclusion.
